**DECLARATION OF LAUREN GRAHAM DELEHEY IN SUPPORT OF RESCAP
 BORROWER CLAIMS TRUST’S OBJECTION TO PROOFS OF CLAIM FILED BY
 FRANK REED AND CHRISTINA REED PURSUANT TO SECTION 502(b) OF THE
BANKRUPTCY CODE AND BANKRUPTCY RULE 3007**

I, Lauren Graham Delehey, hereby declare as follows:

1. I serve as Chief Litigation Counsel for the ResCap Liquidating Trust (the “Liquidating Trust”) established pursuant to the terms of the *Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC, et al. and the Official Committee of Unsecured Creditors* [Docket No. 6030] in the above-captioned Chapter 11 Cases.¹ During the Chapter 11 Cases, I served as Chief Litigation Counsel in the legal department at Residential Capital, LLC (“ResCap”), a limited liability company organized under the laws of the state of Delaware and the parent of the other debtors in the above-captioned Chapter 11 Cases (collectively, the “Debtors”). I joined ResCap on August 1, 2011 as in-house litigation counsel.

2. In my role as Chief Litigation Counsel at ResCap, I was responsible for the management of litigation, including, among others, residential mortgage-related litigation. In connection with ResCap’s chapter 11 filing, I also assisted the Debtors and their professional advisors in connection with the administration of the Chapter 11 Cases, including the borrower

litigation matters pending before this Court. In my current position as Chief Litigation Counsel to the Liquidating Trust, among my other duties, I continue to assist the Liquidating Trust and the Borrower Claims Trust (the “Borrower Trust”) in connection with the claims reconciliation process.² I am authorized to submit this declaration (the “Declaration”) in support of the *ResCap Borrower Claims Trust’s Objection to Proofs of Claim Filed by Frank Reed and Christina Reed Pursuant to Section 502(b) of the Bankruptcy Code and Bankruptcy Rule 3007* (the “Objection”).

3. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge of the Debtors’ operations, information learned from my review of relevant documents and information I have received through my discussions with other former members of the Debtors’ management or other former employees of the Debtors, the Liquidating Trust’s and the Borrower Trust’s professionals and consultants. If I were called upon to testify, I could and would testify competently to the facts set forth in the Objection on that basis.

4. In my current and former capacities as Chief Litigation Counsel to the Liquidating Trust and ResCap, I am intimately familiar with the Debtors’ claims reconciliation process. Except as otherwise indicated, all statements in this Declaration are based upon my familiarity with the Debtors’ Books and Records (the “Books and Records”), as well as the Debtors’ schedules of assets and liabilities and statements of financial affairs filed in these Chapter 11 Cases (collectively, the “Schedules”), my review and reconciliation of claims, and/or my review of relevant documents. I or other Liquidating Trust personnel have reviewed and analyzed the proof of claim forms and supporting documentation filed by the Reeds (defined

² The Liquidating Trust and the Borrower Trust are parties to an Access and Cooperation Agreement, dated December 17, 2013, which, among other things, provides the Borrower Trust with access to the books and records held by the Liquidating Trust and Liquidating Trust’s personnel to assist the Borrower Trust in performing its obligations.

below). Since the Plan went effective and the Borrower Trust was established, I, along with other members of the Liquidating Trust have consulted with the Borrower Trust to continue the claims reconciliation process, analyze claims, and determine the appropriate treatment of the same. In connection with such review and analysis, where applicable, I or other Liquidating Trust personnel, together with their professional advisors have reviewed (i) information supplied or verified by former personnel in departments within the Debtors' various business units, (ii) the Books and Records, (iii) the Schedules, (iv) other filed proofs of claim, and/or (vi) the official claims register maintained in the Debtors' Chapter 11 Cases.

5. In connection with the Proofs of Claim (as defined below) filed by Frank Reed and Christina Reed (together, the "Reeds"), the Liquidating Trust, on behalf of the Borrower Trust, reviewed the Reeds' payment history, the Debtors' internal servicing notes (the "Servicing Notes"), as well as the various pleadings filed in the litigation between the Debtors and the Reeds.

6. The Reeds filed proofs of claim 3708 and 4759 against ResCap, and proofs of claim 3759 and 4736 against GMAC Mortgage, LLC ("GMACM") (collectively, the "Proofs of Claim"), copies of which are attached to the Objection as Exhibits 1-A, 1-B, 1-C, and 1-D, respectively.

A. The FRB Consent Order

7. Without admitting fault, the Consent Order Debtors, AFI, and Ally Bank agreed, pursuant to the FRB Consent Order, to develop and implement certain risk management and corporate governance procedures under the guidance of the FRB in order to ensure prospective compliance with applicable foreclosure-related regulations and laws. Pursuant to the FRB Consent Order, the parties were required to undertake a risk assessment of their mortgage

servicing operations and were responsible for making improvements to various aspects of their residential mortgage loan servicing business, including, among other things, compliance programs, internal audit, communications with Borrowers, vendor management, management information systems, employee training, and oversight by the boards of directors of ResCap and GMACM. Additionally, pursuant to the FRB Consent Order, GMACM agreed to pay for an extensive, independent file review regarding certain residential foreclosure actions and foreclosure sales prosecuted by the Debtors (the “FRB Foreclosure Review”), and to prepare and submit a detailed report regarding the results of that review. The FRB Consent Order further required that the Debtors remediate any financial harm to borrowers resulting from errors or misrepresentation of the Debtors that the FRB Foreclosure Review uncovers.

8. Pursuant to the FRB Foreclosure Review requirement, GMACM must “retain one or more independent consultant(s) acceptable to the [Federal] Reserve Bank [of Chicago] to conduct an independent review” of residential mortgage foreclosure actions prosecuted during the period from January 1, 2009 to December 31, 2010 (the “Consent Order Review Period”), as well as foreclosure sales pending or completed during the Consent Order Review Period. The independent consultant is required to review, among other things, whether: (i) the Debtors had properly documented ownership of the promissory note and mortgage (or deed of trust) at the time they initiated a foreclosure; (ii) the foreclosure complied with state and federal law, including the Servicemembers Civil Relief Act; (iii) the procedures followed with respect to non-judicial foreclosures were in accordance with the terms of the mortgage loan and state law; (iv) the foreclosure occurred when the Borrower had a loan modification request under consideration or while the loan was performing under a trial or permanent loan modification; (v) impermissible charges were applied to the Borrower’s account; and (vi) any errors or omissions

were identified by the independent consultant that resulted in financial injury to the Borrower or owner of a loan.

9. In early 2013, the Consent Order Regulators began entering into settlements with various Consent Order parties and, in June 2013, a term sheet was executed among the FRB, ResCap and GMAC Mortgage suspending the FRB Foreclosure Review and the Debtors escrowed \$230 million as their anticipated settlement amount. Following execution of the term sheet, the Debtors' independent consultant, PwC, conducted a review as to the population of borrowers who may have been eligible to receive payments from the settlement fund as designed, and then provided an initial "IFR Waterfall" to the FRB. The settlement was designed to halt all individual foreclosure file reviews and, instead, provide a payment of some amount, with no determination having been made of actual harm, to each borrower in the final population, *i.e.*, all borrowers being serviced by the Debtors who had been subject to residential mortgage foreclosure actions or proceedings, including residential foreclosure sales, that were pending or occurred at any time during the Consent Order Review Period (the "Eligible Population").

10. A formal amendment to the Consent Order was executed on July 26, 2013 and the previously escrowed funds were moved into a Settlement Fund outside the Debtors' control. Subsequent to that date, the Debtors provided data from its loan servicing system to an independent consultant and the FRB to finalize the IFR Waterfall, with the independent consultant and the FRB verifying the eligibility and placement of all the borrowers into the IFR Waterfall. Once that was completed, the Debtors provided to Rust Consulting, Inc., as paying agent for the settlement, the specific borrower placement information on November 21, 2013 and the placement of Borrowers into the IFR Waterfall was deemed final. The paying agent is now

in process of distributing the funds in the Settlement Fund to borrowers in accordance with a distribution plan implemented by the FRB.

11. The payment that the Reeds received in respect of the FRB settlement does not indicate or represent any determination or acknowledgement by the Debtors that claims made by the Reeds have any merit or that they suffered any harm at the hands of the Debtors. The Reeds were included in the FRB settlement population because they were subject to a foreclosure proceeding during the Consent Order Review Period.

12. The Debtors' role in the FRB Foreclosure Review settlement was limited to providing servicing system data to the independent consultant with respect to the Borrowers who, given the time period in which their foreclosure actions were pending, may have been eligible to be included in one of the various "potential harm" categories in the IFR Waterfall. After the Debtors provided that data, the independent consultant and the FRB finalized the Eligible Population and the placement of each eligible Borrower in the IFR Waterfall potential harm categories. The FRB then determined payment amounts for each such category. The Reeds were determined to be eligible to receive \$500 as a settlement payment, the lowest payout provided for in the IFR Waterfall. Rust Consulting, Inc. distributed the remediation settlement payment to the Reeds on January 27, 2014.³

13. The Reeds submitted a "Request for Review" of the Reed Loan in the Debtors' foreclosure review process. The Reed Loan was classified as a "Foreclosure in Process" and based on their placement in the IFR Waterfall, the Reeds were compensated \$500 on account of their loan. The Debtors have complied with their obligations pursuant to the settlement entered into with the FRB, including any obligations owed to the Reeds.

³ The settlement payments were first issued on January 27, 2014. The lowest amount of such payments is \$500, and the Reeds' placement in that IFR Waterfall category means that there was no indication of even potential harm suffered by the Reeds that would have placed them into a higher payout category.

B. Litigation Underlying the Reeds' Proofs of Claim

14. The Reeds are Borrowers under a loan (the "Reed Loan") evidenced by a note in the principal amount of \$1,000,000.00 executed on May 31, 2006, in favor of Metrocities Mortgage, LLC, which is secured by a mortgage on real property located at 817 Matlack Drive, Moorestown, New Jersey. GMACM began servicing the mortgage loan on June 27, 2006, but at no time owned the loan at issue. GMACM continued servicing the loan until the servicing transfer to Ocwen Loan Servicing, LLC ("Ocwen") on February 15, 2013. Ocwen subsequently transferred servicing to 21st Mortgage Corp. on October 1, 2013. Residential Funding Company, LLC ("RFC") acquired the loan on December 30, 2009, and transferred ownership of the loan to 21st Mortgage Corp. on February 6, 2013.

15. In February 2008, the Reeds defaulted under the Reed Loan based upon their failure to timely make payments for a period of several months. GMACM, prior to mailing the NOI, sent the Reeds at least one letter notifying them that their mortgage payments were delinquent and remained due and owing. See, e.g., Notice of Default Letter, annexed hereto as Exhibit A. On May 19, 2008, GMACM filed a foreclosure complaint (the "Foreclosure Complaint") against the Reeds (the "Foreclosure Action") in the Superior Court of New Jersey, Chancery Division (the "Chancery Division Court"). See Foreclosure Complaint, a copy of which is annexed hereto as Exhibit B. Prior to filing the Foreclosure Action, it was the position of the Debtors that prior to filing the Foreclosure Complaint, GMACM mailed an NOI to the Reeds pursuant to FFA requirements; however, GMACM, as explained in the Foreclosure Action, was unable to locate the NOI or the certified mail receipt. Nevertheless the Debtors had a good faith basis for filing the Foreclosure Action. The Reeds filed an answer (the "Answer")

to the Foreclosure Complaint on June 24, 2008. See Answer, a copy of which is annexed hereto as Exhibit C.

16. In July 2008, GMACM filed a motion for summary judgment (the “Summary Judgment Motion”) in the Foreclosure Action seeking (i) to strike the Answer, (ii) entry of a default and (iii) transfer of the Foreclosure Action to the foreclosure unit. See Summary Judgment Cross-Motion annexed hereto as Exhibit D. In response, the Reeds filed a cross-motion for summary judgment (the “Summary Judgment Cross-Motion”) seeking the dismissal of the Foreclosure Complaint for failure to provide a proper notice of intent (“NOI”) as required under the New Jersey Fair Foreclosure Act (“FFA”). See Summary Judgment Cross-Motion, a copy of which is annexed hereto as Exhibit E. GMACM sought to correct any noncompliance with the FFA by serving an NOI during the Foreclosure Action.

17. On February 9, 2009, the Chancery Division Court denied the Summary Judgment Motion and granted the Summary Judgment Cross-Motion (the “Order Granting Cross-Motion”). A copy of the Order Granting Cross-Motion is attached to the Proofs of Claim as “Exhibit A”. Specifically, the Chancery Division Court determined that the Foreclosure Complaint should be dismissed without prejudice because GMACM could not prove that it delivered a NOI in accordance with N.J.S.A. 2A:50-56. See Order Granting Cross-Motion. GMACM sought to correct any noncompliance with the FFA by serving an NOI during the Foreclosure Action, but the Chancery Division Court did not approve this remedy. This matter was not dismissed until August 9, 2013. See Docket for the Foreclosure Action, a copy of which is annexed hereto as Exhibit F.

18. On May 10, 2010, the Reeds filed a separate complaint (the “Reed Complaint”) against GMACM, Residential Funding Corp.,⁴ and unnamed defendants who allegedly were employees or agents of the other two defendants (the “Reed Action”) in the Superior Court of New Jersey, Law Division (the “Law Division Court”). See Reed Complaint, a copy of which is attached to the Proofs of Claim as “Exhibit D.” The claims asserted against GMACM in the Reed Action are predicated on the Foreclosure Action and GMACM’s alleged failure to comply with NOI requirements of the FFA; however, the Reeds’ claims did not address the merits of the Foreclosure Action. See id. Specifically, the Reeds asserted claims against GMACM for negligence, breach of contract, and estoppel. See id. GMACM filed a motion to dismiss (the “Motion to Dismiss”) the Reed Complaint, which the Law Division Court denied in July 2010 (the “Order Denying the Motion to Dismiss”). See Order Denying Motion to Dismiss, a copy of which is annexed hereto as Exhibit G.

19. The Reeds were permitted to amend the Reed Complaint, and on January 6, 2012, they filed an amended complaint (the “Amended Reed Complaint,” a copy of which is attached to the Proofs of Claim as “Exhibit E”). In addition to the claims set forth in the Reed Complaint, the Amended Reed Complaint added purported claims for economic and non-economic losses stemming from the Foreclosure Action, punitive damages and consumer fraud. See generally, Amended Reed Complaint.

20. In early 2012, the Reeds sought entry of an order staying the Reed Action to allow time for participation in the Independent Foreclosure Review or, in the alternative, entry of an order granting leave to voluntarily dismiss the Reed Action without prejudice (the “Motion to Stay or Dismiss”). See Dismissal Order (defined below), a copy of which is annexed to the Delehey Declaration as Exhibit H. On February 9, 2012, the Law Division Court entered an

order (the “Dismissal Order”) granting the Reeds leave to voluntarily dismiss the Reed Action without prejudice.

C. Debtors’ Servicing Notes Relating to the Reed Loan

21. According to the Debtors’ servicing notes,⁵ GMACM never recommended that the Reeds pay the entire principal balance and interest on their mortgage. The servicing notes are the only business records that would show whether GMACM ever made such a recommendation. Furthermore, the servicing notes show that Mr. Reed even met with a Hope Now representative in person on or about July 26, 2008, subsequent to which Mr. Reed indicated that he was not interested in a loan workout arrangement to keep his property, but only enough time to sell such property. In addition, the servicing notes demonstrate that the Debtors sent the Reeds a loss mitigation package, and approved them for a loan modification on a number of occasions; however, the Reeds never executed the loan modification papers.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Dear FRANK J REED

Disclosure: If you are already working with the Loss Mitigation
department on a special forbearance or other foreclosure
prevention alternatives, this letter does not apply to you.

However, you may want to take advantage of the Homeownership
Counseling information contained within this letter.

Your account is in default under the terms of the mortgage.

The mortgage payments of \$ 10615.60 for the months of 02/01/08 through 03/01/08, are past due. If you have already mailed these payments, please accept our thanks.

Due to the unresolved delinquency on your account, you may be experiencing temporary or permanent financial problems that led to the default. Your account could soon be referred to foreclosure if the default is not resolved. We would like to discuss possible loss mitigation options, which may be available to you to resolve the delinquency and avoid foreclosure. A brief description of these options follows.

If you have experienced a temporary loss of income or increase in expenses and now have sufficient income to make increased payments, we may be able to work out a REPAYMENT PLAN.

LOAN MODIFICATION: A loan modification capitalizes delinquent payments into the unpaid principal balance. This may be completed if you are unable to make temporary increased monthly payments, yet can still afford your mortgage payments.

SHORT SALE: The investor may accept less than a full payoff when the value of your property has declined. You must list the property at fair market value and forward any offers, along with estimated closing costs, to our company. The acceptance of the offer is subject to investor approval. You may be required to contribute to reduce the total loss.

DEED IN LIEU OF FORECLOSURE: A deed in lieu voluntarily gives back the Deed to the lender to satisfy the debt and avoid foreclosure. You must have tried to sell the property for 90 days at fair market value.

The collection activity will not stop and the monthly mortgage payments are still due while we evaluate your financial situation. Not all options may be available to you and we cannot guarantee you will qualify for any of the loss mitigation options.

10. The following defendants are joined herein because they are the holder of an instrument or interest appearing of record which affect or may affect the Mortgaged Premises which has been paid in full but have not been discharged of record.

NONE.

11. In the event plaintiff is unable to determine the present whereabouts of defendants, Frank J. Reed, III and Christina A. Reed, his wife, or ascertain if he/she/they is/are presently alive, and as a precaution, plaintiff has joined the following persons as party defendants to this foreclosure action for any lien, claim or interest they may have in, to, or against the mortgaged premises:

Frank J. Reed, III and Christina A. Reed, his wife, and each of their heirs, devisees, and personal representatives, and his, her, their or any of their successors in right, title and interest.

12. Pursuant to the terms of the Note and Mortgage, plaintiff (or its predecessors, successors or servicing agent), reserved the right to pay taxes, municipal charges, or other liens affecting the Mortgaged Premises, which charges or liens are superior to the lien of the Mortgage. When paid by plaintiff (or its predecessors, successors, or servicing agent), these taxes, municipal charges, or other liens, together with interest thereon, are to be added to the amount due plaintiff, whether such advances were made prior to the filing of this action or during its pendency.

13. Plaintiff has complied with the Fair Foreclosure Act N.J.S.A. 2A:50-53, et seq., by serving the required Notice of Intention to Foreclose at least 30 days in advance of filing of this complaint.

WHEREFORE, the plaintiff demands judgment:

- (a) Fixing the amount due on the Mortgage;
- (b) Barring and foreclosing the defendants and each of them of all equity of redemption in and to the Mortgaged Premises;

- (c) Directing that plaintiff be paid the amount due as provided in the Mortgage, together with interest, fees, costs and advances;

RICHARD P. HABER, ESQ.
On the Brief

STATEMENT OF FACTS

A complete statements of the facts pertinent to this motion are contained in the Certification and Statement of Material Facts filed herewith. Briefly, this matter arises from the execution of a Note and Mortgage on May 31, 2006. Frank J. Reed, III borrowed \$1,000,000.00 from Mortgage Electronic Registration Systems, Inc., as nominee for Metrocities Mortgage, LLC, and executed a Note memorializing same. In return, and as security for the advancement of these funds, Frank J. Reed, III and Christina A. Reed, husband and wife executed a mortgage in that amount on a parcel of real property located at 817 MATLACK DRIVE, MOORESTOWN, NJ 08057 (the "Property"). That Mortgage was subsequently assigned, and plaintiff became the holder in due course of the Note and Mortgage. See, Certification of Richard P. Haber, paragraph 2, (hereinafter, "Haber Cert.").

The Note provided that Frank J. Reed, III is to repay the outstanding obligation by making monthly payments. According to the plaintiff's business records, payments are due and owing from the payment which became due on February 1, 2008. Despite demands that the arrears be cured that has not happened. Plaintiff commenced this action to foreclose the Mortgage on May 19, 2008.

Defendant subsequently filed an answer contesting the foreclosure but failed to properly form a basis for a delay in this foreclosure. Defendant has failed to assert any facts in support of these denials or challenge the plaintiff's right to foreclose. The Haber Cert. will clearly demonstrate that indeed all of the allegations set forth in the plaintiff's complaint are true and supported by recorded public documents, as well as documents which were given to the mortgagors at the time the loan originated. The answer simply denies certain aspects of the complaint without furnishing any facts to support those denials. The purpose of this answer is obviously to delay this foreclosure action at the expense of plaintiff. Defendant Frank J. Reed, III has no basis to challenge this action and, as such, the answer should be stricken, default entered

and the matter transferred back to the Foreclosure Unit to proceed as uncontested.

LEGAL ARGUMENT

I. SUMMARY JUDGMENT SHOULD BE GRANTED IN FAVOR OF PLAINTIFF

The purposes of summary judgment are, of course, to "avoid trials which would serve no useful purpose and to afford deserving litigants immediate relief." Kopp, Inc. v. United Technologies, 223 N.J. Super. 548, 555 (App. Div. 1988). Summary judgment has developed to provide a prompt and effective method for disposing of any cause "which a discriminating search of the merits in the pleadings, depositions and admissions on file, together with the affidavits submitted on the motion clearly shows not to present any genuine issue of material fact requiring disposition at trial". Ledley v. William Penn Life Ins. Co., 138 N.J. 627, 641-42 (1995) (citing Judson v. Peoples Bank & Trust of Westfield, 17 N.J. 67, 74 [1954]).

Such a motion should be granted "forthwith" if no material facts are in dispute, and the moving party is entitled to judgment as a matter of law. Tyson v. Grove, 172 N.J. Super. 314, 319 (App. Div. 1963); First New Jersey Bank v. F.L.M. Business Machines, 130 N.J. Super. 151 (Law Div. 1974). Once the movant has demonstrated that there is no genuine issue of fact, the burden of going forward with the evidence shifts to the opponent of the motion. He must show controverting facts, not merely ipso dixit representations or allegations in pleadings without affidavit or evidentiary support. He must "establish clearly the existence of a genuine issue of material fact". Failure to discharge this duty will entitle the movant to the relief sought. Heljon Management Corp. v. Dileo, 55 N.J. Super. 306, 313 (App. Div. 1959).

The motion at bar to strike defendants' contested answer pursuant to Rule 4:6-5 is substantively controlled by the summary judgment standard proffered by the New Jersey Supreme Court in Brill v. Guardian Life Ins. Co. of America, 142 N.J. 520 (1995) pursuant to Rule 4:46-2. In that case,

the Supreme Court enunciated a new standard by which a court must review summary judgment motions. While the Court noted that 'genuine' issues of material fact may prevent a Trial Court from granting summary judgment, the Supreme Court held that issues of fact which are not substantial in nature do not rise to the level of precluding the entry of judgment prior to trial. Id. at 540. The Court instructed:

Under this new standard, a determination whether there exists a "genuine issue" of material fact that precludes summary judgment requires the motion judge to consider whether the competent evidential materials presented, when viewed in the light most favorable to the non-moving party, are sufficient to permit a rational fact finder to resolve the alleged disputed issue in favor of the non-moving party. ...

If there exists a single, unavoidable resolution of the alleged disputed issue of fact, that issue should be considered insufficient to constitute a "genuine" issue of material fact for purposes of Rule 4:46-2, of Brill v. Guardian Life Insurance Co., supra, at 540.

The summary judgment standard most recently enunciated by the New Jersey Supreme Court in Brill, derived from the rules announced by the United States Supreme Court in Anderson v. Liberty Lobby, Inc., 477 U.S. 242 (1986), and Celotex Corp. v. Catrett, 477 U.S. 317 (1986), requires the motion judge to weigh the evidence to determine whether there is a genuine issue for trial. Brill, 142 N.J. at 540. "The import of our holding is that when the evidence is so one-sided that one party must prevail as a matter of law, the trial court should not hesitate to grant summary judgment." Id. As will be shown below, and on the strength of the undisputed facts submitted to the Court in plaintiff's Statement of Material Facts for Summary Judgment, this case is absolutely ripe for adjudication. The Court can determine the case as a matter of law. There is no viable claim remaining which needs be tried.

Therefore, plaintiff respectfully requests that the Court grant its motion and enter summary judgment in its favor.

II. THE CONTESTING ANSWER SHOULD BE STRICKEN

R. 4:6-4 and R. 4:6-5 permit a party to move before the Court for an order striking any part, or dismissing in whole, any pleading which is insufficient as a matter of law, or scandalous impertinent or abusive of the Court or another person. With respect to contesting answers filed in foreclosure actions, in Somerset Trust Co. v. Sternberg, 238 N.J. Super 279 (Ch.Div. 1989), Judge Diana wrote:

[I]t is necessary to comment on this Court's observations concerning a large number of foreclosure actions. All too often the pattern is the same. The mortgagee files a complaint, and the matter is opened in the Office of Foreclosure in Trenton. The mortgagor responds with a contesting answer. The case is then forwarded to the Chancery Court to proceed as a contested case. Later, a motion is filed on behalf of the mortgagee seeking summary judgment. The mortgagor fails to respond to the motion; summary judgment is granted in favor of the mortgagee; the answer and defenses are stricken; the matter is transferred back to the Office of Foreclosure to proceed on an uncontested basis; and eventually final judgment of foreclosure is entered.

Initial examination of many pleadings filed with this Court demonstrates that many of the answers and defenses proffered are legally insufficient as they fail to challenge the essential elements of the mortgagee's right to foreclosure and fail to interpose a validly recognized defense in foreclosure suits. Id. at 283 (citations omitted, emphasis added).

The rule pertaining to a prima facie right to foreclose a mortgage is one of long standing in this State. In Thorpe v. Flore Moore Corp., 20 N.J. Super. 34 (App. Div. 1952) the Court set forth the elements for a prima facie right to foreclose as follows:

Since the execution, recording, and non-payment of the mortgage were conceded, a prima facie right to foreclosure was made out. Defendants argue that since the mortgage was in their counsels possession and produced by him at the request of plaintiff, delivery thereof after execution was not established and consequently no such case appeared. However, proof of recording creates a presumption of delivery. Id. at 37.

With these principles in mind, we turn to the evidence in the case sub judice. Based on the certification filed in this matter, the evidence is so overwhelming to compel summary judgment. There exists

no genuine issue as to material fact.

It is well recognized that, where the answer and any proffered defenses fail to challenge the essential elements of the mortgagee's right to foreclosure, and fail to interpose a validly recognized defense, the mortgagee is entitled to a final judgment of foreclosure. Metlife v. Washington Avenue Associates, 159 N.J. 484 (1999). It is common for defendants to a foreclosure action to file an answer that does not deny the fact that the mortgage is in default, but instead contests the amount due to the plaintiff. Such an answer is considered non-contesting. In Metlife the Supreme Court held that a challenge by the mortgagor to the asserted amount due does not constitute a contesting answer for purposes of R:4:64-1. Old Republic Ins. Co. v. Currie, 284 N.J. Super. 571, 574 (Ch. Div. 1995); Somerset Trust Co. v. Steinberg, 238 N.J. Super. 279, 283 (Ch. Div. 1989).

The Chancery Division in Old Republic provided a concise, definitive overview on uncontesting answers:

Pursuant to R. 4:64-1(a)(2), an answer which does not contest the validity or priority of a mortgage is considered an uncontesting answer. Subsection (a)(3) further defines an uncontesting answer as one that pleads that "a party is without knowledge or information sufficient to form a belief as to the truth of the allegation" of more that leaves the plaintiff to his proofs. Moreover, R. 4:5-4 requires that all affirmative defenses be supported with the specific facts. Consequently, a plaintiff may move to strike such an answer pursuant to R. 4:6-5 on the ground that it presents "no question of fact or law which should be heard by a plenary trial." 30 New Jersey Practice §312, at 233 (Cunningham and Tischler 1975).

Old Republic Ins. Co., 284 N.J. Super. At 574-575.

Plaintiff has established the right to foreclose by demonstrating the execution of the mortgage, the creation of the indebtedness, the recording of the mortgage and default. See Thorpe v. Floremoore Corp., 20 N.J. Super. 34 (App. Div. 1952). The answer fails to challenge the essential elements of plaintiff's right to foreclose and presents "no question of fact or law which should be heard by

a plenary trial.”

The documents annexed to the Haber Cert., are duly recorded and memorialize the transaction of May 31, 2006. Defendant received \$1,000,000.00 from Mortgage Electronic Registration Systems, Inc., as nominee for Metrocities Mortgage, LLC and secured that amount with a mortgage on the Property. As stated in Thorpe v. Floremoore Corp., supra, the recording of those documents constituted delivery thereof to defendant. Moreover, it has not been denied that obligor received the monies and signed the Note. It has further not been denied that mortgagors executed the Mortgage to secure repayment. Indeed, the defendant cannot deny receipt of the funds because partial repayment thereof is proof of receipt.¹

The defendant has denied certain allegations set forth in the complaint. Even a cursory examination thereof shows that these denials have no basis in fact or law and are meant only to delay these proceedings.

It is clear upon review of the contesting answer that the denials contained therein have no basis. Metlife v. Washington Avenue Associates, supra. This type of answer is insufficient to challenge plaintiff's right to foreclose when, as indicated above, this plaintiff is able to, and here proves execution, delivery and nonpayment. This meritless answer is firm indication of the bad faith and frivolity used to delay this lawsuit.

¹ Payments were made in compliance with the Note's terms prior to default. Such partial payment concedes the validity of the Note, as well as the balance of the obligation. See, e.g., Renault v. L.N. Renault & Sons, Inc., 188 F.2d 317 (3rd Cir. 1951); Burlington Country Club v. Midlantic Bank, 223 N.J. Super. 227 (Ch. Div. 1987).

The filed answer is "legally insufficient as [it] fail[s] to challenge the essential elements of the mortgagee's right to foreclose and fail[s] to interpose a validly recognized defense in foreclosure suits." See, Somerset Trust Co. v. Sternberg, supra, at 283. This Court should strike the Answer, dismiss the Affirmative Defenses, enter summary judgment against defendant and direct that this matter proceed as an uncontested foreclosure.

CONCLUSION

For all the foregoing reasons, plaintiff respectfully requests that the Court strike the contesting answer, enter default against said defendant and transfer the matter to the Foreclosure Unit to proceed as an uncontested matter.

**CERTIFICATION OF
RICHARD P. HABER, ESQ.**

RICHARD P. HABER, does hereby certify:

1. I am an attorney at law of the State of New Jersey and an associate with the law firm of ZUCKER, GOLDBERG & ACKERMAN, LLC, attorneys for plaintiff GMAC MORTGAGE, LLC. I submit this certification based upon my custody and review of the computerized records of plaintiff which were made in the ordinary course of business as part of plaintiff's regular practice to create and maintain said records and which were recorded contemporaneously with the transactions reflected therein.

2. On May 31, 2006, defendant Frank J. Reed, III executed a Note in the sum of \$1,000,000.00 to Metrocities Mortgage, LLC. The aforesaid Note obligates defendant to make monthly installment payments due on the first day of each month commencing on July 1, 2006.

3. To secure payment of the Note, defendants Frank J. Reed, III and Christina A. Reed, husband and wife executed to Mortgage Electronic Registration Systems, Inc., as nominee for Metrocities

Mortgage, LLC a Mortgage dated May 31, 2006 in the sum of \$1,000,000.00. The Mortgage was recorded on September 25, 2006 in Book 11124 of Mortgages for Burlington County, Page 410. A copy of the Note and recorded Mortgage is attached as Exhibit A.

4. Plaintiff is the present holder of the Note and Mortgage. A copy of the Assignment of Mortgage is attached as Exhibit B.

5. Defendant Frank J. Reed, III defaulted under the terms and conditions of the above stated Note by failing, refusing and neglecting to make the payment which became due on February 1, 2008 and all payments which became due thereafter.

6. Defendant Frank J. Reed, III filed an Answer to the instant foreclosure. The said Answer does not genuinely contest plaintiff's right to foreclose. See, Complaint, Amended Complaint, and Answer, annexed hereto as Exhibit C.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are wilfully false, I am subject to punishment.

(State)817 MATLACK DRIVE, MOORESTOWN, NEW JERSEY 08057
(Property Address)**1. BORROWER'S PROMISE TO PAY**

In return for a loan that I have received, I promise to pay U.S. \$1,000,000.00 (this amount is called "Principal"), plus interest, to the order of Lender. Lender is METROCITIES MORTGAGE, LLC, A LIMITED LIABILITY COMPANY. I will make all payments under this Note in the form of cash, check or money order.

I understand that Lender may transfer this Note. Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 6.375%. The interest rate I will pay may change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS**(A) Time and Place of Payments**

I will pay principal and interest by making a payment every month.

I will make my monthly payments on the 1st day of each month beginning on JULY 1, 2006. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on JUNE 1, 2036, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 15301 VENTURA BLVD., STE#D300, SHERMAN OAKS, CALIFORNIA 91403

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments ** See attached Interest Only Note Addendum.

Each of my initial monthly payments will be in the amount of U.S. \$6,238.70. This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

CERTIFIED TO BE A TRUE AND
ORIGINAL

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The initial fixed interest rate I will pay will change to an adjustable interest rate on the 1st day of JUNE, 2011, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for one-year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new Index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 250/1000 percentage points (2.250%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.375 % or less than 2.250 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than TWO AND 000/1000 percentage points from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 11.375 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under this Note.

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of this Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial

CERTIFICATE TO TRUE AND
ORIGINAL

Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal that has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Unless the Note Holder requires a different method, any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions read as follows:

(A) Until my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument shall read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

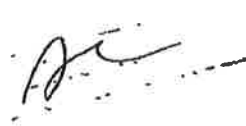

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 18 of the Security Instrument described in Section 11(A) above shall then cease to be in effect, and Uniform Covenant 18 of the Security Instrument shall instead read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired

by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

INTEREST-ONLY ADDENDUM TO ADJUSTABLE RATE PROMISSORY NOTE

Loan Number: 21063843

Property Address: 817 MATLACK DRIVE, MOORESTOWN, NEW JERSEY 08057

THIS ADDENDUM is made this 31st day of MAY 2006, and is incorporated into and intended to form a part of the Adjustable Rate Note (the "Note") dated the same date as this Addendum executed by the undersigned and payable to METROCITIES MORTGAGE, LLC, A LIMITED LIABILITY COMPANY (the Lender).

THIS ADDENDUM supersedes Sections 3(A), 3(B), 4(C) and 7(A) of the Note. None of the other provisions of the Note are changed by this Addendum.

3. PAYMENTS

(A) Time and Place of Payments

I will pay interest by making payments every month for the first 60 payments (the "Interest-Only Period") in the amount sufficient to pay interest as it accrues. I will pay principal and interest by making payments every month thereafter for the next 300 payments in an amount sufficient to fully amortize the outstanding principal balance of the Note at the end of the Interest-Only Period over the remaining term of the Note in equal monthly payments.

I will make my monthly payments on the first day of each month beginning on JULY 1, 2006. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before principal. If, on JUNE 1, 2036, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my payments at 15301 VENTURA BLVD., STEID300, SHERMAN OAKS, CALIFORNIA 91403

, or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of U.S. \$ 5,312.50. This payment amount is based on the original principal balance of the Note. This payment amount may change.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 250/1000 percentage point(s) (2.250 %) to the Current Index for such Change Date. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D), this rounded amount will be my new interest rate until the next Change Date.

During the Interest-Only Period, the Note Holder will then determine the amount of the monthly payment that would be sufficient to repay accrued interest. This will be the amount of my monthly payment until the earlier of the next Change Date or the end of the Interest-Only Period unless I make a voluntary prepayment of principal during such period. If I make a voluntary prepayment of principal during the Interest-Only Period, my payment amount for subsequent payments will be reduced to the amount necessary to pay interest at the then current interest rate on the lower principal balance. At the end of the Interest-Only Period and on each Change Date thereafter, the

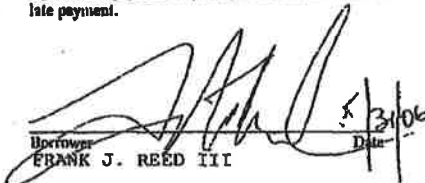

[Handwritten signature]
CERTIFIED TRUE COPY

Note Holder will determine the amount of the monthly payment that would be sufficient to repay in full the unpaid principal that I am expected to owe at the end of the Interest-Only Period or Change Date, as applicable, in equal monthly payments over the remaining term of the Note. The result of this calculation will be the new amount of my monthly payment. After the end of the Interest-Only Period, my payment amount will not be reduced due to voluntary prepayments.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

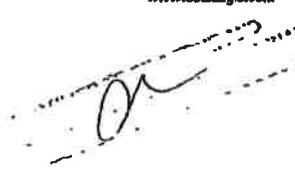

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of my monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of interest during the Interest-Only Period, 5.000 % of my overdue payment of principal and interest thereafter. I will pay this late charge promptly but only once on each late payment.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and cancelling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future. If Lender accepts such payments, it shall apply such payments at the time such payments are accepted. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. **Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic

Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can again priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower

shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. **Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower. Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened.

During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. **Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums

secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

18. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 18 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1988 or any other law. These rights may include the right

to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were measured at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property. If the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security

Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 12, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law ought explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstatement After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action

can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. **Hazardous Substances.** As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spillage, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property; (e) the Borrower's right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure; and (f) any other disclosure required under the Fair Foreclosure Act, codified at §§ 2A:50-53 et seq. of the New Jersey Statutes, or other Applicable Law. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, attorneys' fees and costs of title evidence permitted by Rules of Court.

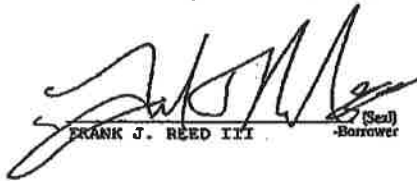

23. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall cancel this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

FIXED/ADJUSTABLE RATE RIDER

(LIBOR One-Year Index (As Published in *The Wall Street Journal*) - Rate Caps)

THIS FIXED/ADJUSTABLE RATE RIDER is made this 31st day of MAY 2006, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to METROCITIES MORTGAGE, LLC, A LIMITED LIABILITY COMPANY ("Lender") of the same date and covering the property described in the Security Instrument and located at:

817 MATLACK DRIVE, MOORESTOWN, NEW JERSEY 08057
(Property Address)

THE NOTE PROVIDES FOR A CHANGE IN BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE. THE NOTE LIMITS THE AMOUNT BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 6.375 %. The Note also provides for a change in the initial fixed rate to an adjustable interest rate, as follows:

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the 1st day of JUNE, 2011, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for one-year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

MB11124PB423

Description: Burlington, NJ Mortgages - Book: Page 11124.410 Page: 14 of 21
Order: BURLINGTON Comment:

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 250/1000 percentage points (2.250 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.375 % or less than 2.250 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than TWO AND 000/1000 percentage points from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 11.375 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes to my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

8. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument shall read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

MB 1124PG424.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Z. When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument described in Section B1 above shall then cease to be in effect, and the provisions of Uniform Covenant 18 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a deed for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

INTEREST-ONLY ADDENDUM TO ADJUSTABLE RATE RIDER

Loan Number: 21063843

Property Address: 817 MATLACK DRIVE, MOORESTOWN, NEW JERSEY 08057

THIS ADDENDUM is made this 31st day of MAY, 2006, and is incorporated into and intended to form a part of the Adjustable Rate Rider (the "Rider") dated the same date as this Addendum executed by the undersigned and payable to METROCITIES MORTGAGE, LLC, A LIMITED LIABILITY COMPANY (the Lender).

THIS ADDENDUM supersedes Section 4(C) of the Rider. None of the other provisions of the Note are changed by this Addendum.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 250/1000 percentage point(s) (2.250 %) to the Current Index for such Change Date. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D), this rounded amount will be my new interest rate until the next Change Date.

During the Interest-Only Period, the Note Holder will then determine the amount of the monthly payment that would be sufficient to repay accrued interest. This will be the amount of my monthly payment until the earlier of the next Change Date or the end of the Interest-Only Period unless I make a voluntary prepayment of principal during such period. If I make a voluntary prepayment of principal during the Interest-Only Period, my payment amount for subsequent payments will be reduced to the amount necessary to pay interest at the then current interest rate on the lower principal balance. At the end of the Interest-Only Period and on each Change Date thereafter, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay in full the unpaid principal that I am expected to owe at the end of the Interest-Only Period or Change Date, as applicable, in equal monthly payments over the remaining term of the Note. The result of this calculation will be the new amount of my monthly payment. After the end of the Interest-Only Period, my payment amount will not be reduced due to voluntary prepayments.

OPPOSITION TO SUMMARY JUDGMENT
& CROSS MOTION TO DISMISS
FORECLOSURE COMPLAINT

1. I am the owner of Real property 817 Matlack Drive Moorestown, New Jersey.
2. Due to the downturn of the economy and some delays in getting some projects off the ground I fell behind in my mortgage payments.
3. The mortgage company served me with the foreclosure complaint certified mail on June 3, 2008.
(Exhibit A)
4. I do not recall being served with any other notice prior to that date.
5. When I received the complaint I was unaware that I had rights that could stop the foreclosure.
6. It was not until I began researching the Fair Foreclosure Act that I realized that the mortgage company was require to send to me 30 days before they filed for foreclosure a written notice of intent to foreclose which provided that I could un-accelerate the mortgage payments or sell the property.
7. It appeared that the mortgage company wanted \$1,000,000 (see complaint) to stop the foreclosure.
8. If I had known I could pay the back payments as they were required to tell me by NJSA 2A:50-56 (Exhibit B) and could reinstate the mortgage under 2A:50-57 (Exhibit C) I would have by now.
9. Once I realized this I began not only looking for a buyer for the property, but have made

arrangements to get the funds needed to un-accelerate the mortgage.

10. I expect to have those funds within 30 days.

11. Had I had the 30 day window that the statute requires originally I would have had the back payments long ago and we would not be in court.

12. I believe the deficiency in failing to serve me with the written notice of intent to foreclose required under NJSA 2A:50-56 which meets the requirements of NJSA 2A: 50-56 is fatal to the Plaintiffs foreclosure complaint and it should be dismissed.
